Letter of Homologation

We, P-Life Japan Inc., hereby acknowledge that we allow PROCOLOR Química Industrial Ltda. ("PROCOLOR") to produce our resin "Go Green P-Life" in their manufacturing process.

We also allow PROCOLOR to use the "Go Green P-Life" formulation after the signing of a confidentiality agreement between Eco Ventures Brasil and PROCOLOR.

We confirm that Eco Ventures Brasil is the only company who is allowed to sell and distribute P-Life technology in the country of Brazil.
